In Memoriam

JOHN C. MCNUTT

In Memoriam

It seems peculiarly fitting to dedicate this book to Professor John C. McNutt whose death has brought a deep sense of loss to the town of Durham.

As President of the Men's Club, he helped to create a fine spirit of community brotherliness; as chairman of the School Board, he gave his time and energy to the complex problems of modern education; as a member of the Board of Selectmen, he devoted himself to the promotion of community welfare and progress.

His life was rich in many and varied interests, yet he always found time for community duties. Nor did he neglect the more intimate duties of personal friendliness. He was a friend not only to the town of Durham, but to every one living in Durham. His cheery smile and greeting were a part of him.

Though we shall see him no more, his kindly spirit will live on.

HAMILTON SMITH LIBRARY

February 21, 1930.

To the Town of Durham:

The Children's Room of the Hamilton Smith Library is doubtless of more interest to more townspeople than any other department, so this present report will be devoted chiefly to the changes that have been made there.

When the present Librarian looked over the Children's Room he found the books old in content; dirty and repelling in appearance. These conditions he has started to remedy by spending the entire appropriation of $100 made by the Town of Durham on the Children's Room. This policy should be followed for at least five years, at the end of which time the collection will be up to date. The new books have already attracted the children, as an increase in circulation shows.

The Librarian has printed reviews of children's books in the "Library Lantern" so that the new books will be brought to the attention of the parents of the children at least.

The people of Durham have approved of the new policy of making the periodicals and new books more accessible, since the circulation for the period of July to February 1929-30 shows an increase of 1,143 over the same period for 1928-29.

The Librarian wishes to acknowledge the able assistance of Miss Mary H. Falt of the Library staff, to whose good judgment in children's books he feels the strengthening of the collection is chiefly due. Miss Falt has shown her interest in the Children's Room by arranging an exhibit for Children's Book Week and by keeping the room as attractive as possible at all times.

Mrs. Edward Griffiths has cooperated with the Library as before by offering her house as a branch where the people of Packer's Falls can come to get books.

Respectfully submitted,

WILLIAM W. SHIRLEY,

Librarian.

REPORT OF THE CEMETERY COMMITTEE

Durham, New Hampshire

During the year 1929 the Cemetery Committee constructed about 1250 feet or nearly a quarter mile of gravel road 14 feet wide. This road gives access to two sections of lots. A 10 x 12 tool house set on concrete posts and painted white was also constructed. Tools like shovels, a rake, a mattock, an axe, a wheelbarrow, a scythe and a lawnmower were purchased. Five of the lots 20 feet square were spaded up, fertilized and seeded.

Four lots were sold during the year to the following parties: Thomas Smith, Mrs. Hamilton F. Allen, Mrs. Edward T. Fairchild, and James S. Chamberlin. One monument was erected on the lot of Charles S. Langley. In September the remains of Edward T. Fairchild, late President of the University, were transferred from the Fairchild lot in the Dover cemetery. The hay from the cemetery was sold standing to the University.

The Committee submits the following financial statement:

Receipts

Town appropriation	$550 00
Chas. S. Langley, balance on Lot 1-D	100 00
Thomas Smith, Lot 70-E	150 00
Mrs. Hamilton F. Allen, Lot 48-F	150 00

Mrs. Edward T. Fairchild, Lot 35-D	$150 00
James S. Chamberlin, Lot 20-F	150 00
Hay, standing, 6.03 tons at $3	18 09
Strafford Savings Bank, interest	17 63
Total	$1,285 72

Of the above sum $500 has been deposited in the Savings Bank as a part of the perpetual care endowment fund.

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of Durham qualified to vote in District Affairs.

You are hereby notified to meet at the Town Hall in said District, on Tuesday, the eleventh day of March, A. D. 1930, at one o'clock in the afternoon to act on the following business.

1. To choose a Moderator for the ensuing year.

2. To choose a Clerk for the ensuing year.

3. To choose a member of the school board for the ensuing three years.

4. To hear the report of the schoolhouse committee heretofore chosen and pass any vote relating thereto.

5. To see if the School District will vote to make any alterations in the report of the school board recommending the amount required for the support of schools and statutory obligations and vote necessary money to carry out its provisions.

6. To choose such auditors, agents and committees as the voters may deem necessary for the management of District Affairs.

7. To see if the School District will raise and appropriate, or borrow, a sum of money to purchase a certain tract or parcel of land situated on Madbury

Road as a potential site for a new schoolhouse, or to instruct the committee on a new schoolhouse to get an option on said tract for such a purpose.

8. To see if the School District will raise and appropriate a sum of money to continue the improvements on the grounds at the Durham Central school and to initiate some work of a similar nature at the Packer's Falls school. (See Budget.)

9. To see if the School District will raise and appropriate a sum of money to make certain alterations in the present central school building and to provide some new equipment incident thereto. (See Budget.)

10. To transact any other business that may legally come before the meeting.

Given under our hand and seal this twentieth day of February, in the year of our Lord one thousand nine hundred thirty.

REPORT OF SUPERINTENDENT OF SCHOOLS

Somersworth, New Hampshire, February 5, 1930

To the School Board and Citizens of Durham:

Last July the State Board of Education reorganized several supervisory unions and the present union of which your district is a member, consists of Somersworth, Durham, Rollinsford and Madbury and is known as Supervisory Union, No. 56. I take pleasure in presenting my first report.

Taking over the work on the first of July I found all the teachers engaged, plans for repairs and the reopening of the schools already made. I found an excellent school system based on the Junior High School plan and with a well trained corps of teachers.

It was found necessary to place two teachers in charge of grades one and two because of the large number of pupils. The district must realize that very soon the existing schools will be crowded out of this building. Some better plans of relieving the crowded condition should be worked out before another September. Former Superintendent Felch in his last report urged upon the district either the remodeling of the present building or the erection of a new one and I cannot express the need in better terms than he has already done. He also recommended the employment of a full time janitor and this I believe would be a

good thing to do, especially during the winter months. More responsibility for good heating is being placed on the headmaster than he should be asked to carry.

Since the Christmas vacation the work in Manual Training has been carried on in the shops of the University. This generous help from the University authorities has saved the school district many dollars because the basement of the village school building is without sufficient heat. The atmosphere under which the boys now work is conducive to better work.

A great many children were reported as bringing their lunches to school and with the cooperation of the Home Economics Department of the University and the Parent-Teachers' Association, one hot dish of food is being provided each day at a cost of five cents per serving, but at no expense to the district. The success of this venture depends largely upon parental cooperation, as in fact does everything connected with our schools. I feel that we are getting that cooperation in Durham and that it is due in great measure to your active Parent-Teachers' Association.

At Packer's Falls we have a nice school of the first six grades. A good janitor and a coal fire, with proper chemical toilets, make a rural school building pleasant in which to teach.

The attendance record so far in all schools has been good and there has been little sickness except at Packer's Falls. The work of the school nurse, Miss Ina M. Marden, has helped and the results of the Toxin-Anti Toxin Test were gratifying.

Miss Elsie Gerrish, a graduate of the New England Conservatory of Music and now taking special

courses in public school music under Prof. Mantin has been engaged to carry on the work in music in all the schools. The work is going with enthusiasm.

The statistics given are for the school year ending July 1, 1929, except the table of enrollment, which is for the present year.

The district is paying tuition for one pupil in the schools of Madbury, for ten pupils in the elementary schools of Newmarket, for one pupil in Austin-Cate Academy, for five pupils in Newmarket High School and twelve pupils in Dover High School.

I deeply appreciate the unvarying courtesy and assistance given me by the School Board and the Teaching force.

Respectfully submitted,

HOWARD L. WINSLOW,
Superintendent of Schools.
